

*ring postponed*

NOTE FOR: The Acting Director

FROM: Dave Gries

SUBJECT: Your Meeting with Senators Boren and Cohen on  
29 April 1987

You are scheduled to meet with Senators Boren and Cohen on  
29 April 1987 at 1630, in room 219 Senate Hart Office Building.

Suggested agenda items are:

- Status of proposal by select committee to require CIA officers to testify under oath at open hearings.
- GAO charge:
  - Senator Glenn's Governmental Affairs Committee has completed preliminary draft of bill requiring GAO audit of Agency. Next step will be to obtain input of SSCI staff.
  - GAO, at the request of Senator DeConcini, has produced a draft report reviewing the policies and procedures for ensuring the security of Redeye and Stinger missiles provided to foreign countries. The report states, "We were unable to review the controls over any missiles that may have been provided as covert assistance. The CIA declined to discuss the extent, if any, that U.S. missiles are being supplied to U.S.-supported insurgent groups." FYI: Senator DeConcini has requested a briefing on the Stingers.
- Confirmation schedule.
- Presentation of OIA analysis on First Chief Directorate of the KGB.
